

2021 – 2027 STRATEGY ON A PAGE

VALUES Transformative ... Collaborative ... Bold ... Ethical... Trusted

VISION

An invasive species free Australia

PURPOSE STATEMENT

Together, create and deliver valued invasive species solutions for primary industries, the environment and communities

CISS is a national leader and coordinator of invasive species solutions.

- We:**
- develop and deliver solutions to important problems
 - drive innovation to enhance integrated landscape management
 - accelerate building and strengthening of community biosecurity networks and surveillance systems
 - advance outcomes through the application of digital tools and management systems
 - build efficiencies and critical mass, brokerage and capacity
 - plan for and create long term outcomes in a changing environment
